Dear Mr Schurig

It is now twelve months since we purchased our Xerox Able 3250 Photocopy/Facsimile machine from your company.

As you may recall we were reluctant to purchase such an advanced machine, however because we have experienced trouble free operation and have enjoyed the advanced technology it has brought to our office, I now view the purchase as a very wise investment.

We would like to thank your company for your excellent attention during the initial installation period and for the continued customer service provided by your Sales Consultant, Mr Wayne Paull.

Yours sincerely

R G McRae
